STUDENT COUNSELING AND ADVISEMENT PROCEDURES

NEW STUDENT ADVISING PROCESS

1. Submit the following to the admissions office:

- A completed admissions application. (Applications are in the back of the *College Catalog*.)
- Official high school transcript or GED score report.
- Test scores (i.e. TASP, ACT, SAT) if not listed on the high school transcript.

NOTE: These scores are not required for new student admission, but may be used to check TASP status.

2. Determine TASP status:

- If TASP taken; *TASP exempt; or **TASP Waived, go to step 3.
- If TASP has not been taken, go to the testing office to take the Pre-TASP. (This is the placement test—allow three hours to test.)

3. Meet with a Counselor/Advisor:

- Check with the deans' offices or the registrar's office for a list of advisors.
- The Counselor/Advisor helps the student with:
 - Interpretation of test scores
 - Course selection
 - Degree Plan and transfer information
 - Information on campus resources
 - Selecting a major
 - Information on the registration process.

4. Follow registration procedures:

- Pick up a class schedule. This will give information on current registration steps. (Schedules are generally available during mid-semester for the following semester.)
- Obtain a time permit from the registrar's office, if issued. (Refer to class schedule to determine if time permits are being issued. Time permits are usually issued several weeks prior to the start of the semester.)
- Meet with counselor/advisor to prepare a trial schedule (if not already done).
- Go to the designated area at assigned registration time.
- Register, pay tuition and fees, secure parking permit and student ID card.

*Determined when an application is received, based upon college credit prior to Fall of 1989, or ACT, SAT or TAAS scores. Students who are exempt from TASP may still be required to take part of the Pre-TASP. See the registrar's office or a Counselor/Advisor for verification of status.

**Includes students who are in a certificate program. See College Catalog for more information.

RETURNING STUDENT ADVISING PROCESS

In order to sign up for classes, the following are general registration procedures:

- Pick up a class schedule. This will give information on current registration steps. (Schedules are generally available during mid-semester for the following semester.)
- Obtain a time permit from the registrar's office, if issued. (Refer to Class Schedule to see if time permits are being issued. Time permits are usually issued several weeks prior to the start of the semester.)
- Meet with a counselor/advisor to prepare a trial schedule if you need assistance in course selection. (A list of advisors is available in the registrar's office or any of the deans' offices).
- Early (Telephone) register or go to the designated area at assigned registration time.
- Register, pay tuition and fees by the published deadline, and secure parking permit and student ID card.

Consider the following factors prior to Registration:

1. Are you TASP liable, and if so, have you taken the TASP?

- If you have not taken the TASP, see a counselor/advisor or the registrar's office regarding your options. Remember, unless a student is TASP Exempt or in a TASP Waived certificate program, he/she must take the TASP by the time nine college credit hours from a Texas state public institution are earned.

2. Are you knowledgeable of your degree plan? Have you chosen a major or changed your major?

*In any case, you may choose to see a Counselor/Advisor for degree plan information, advisement on course selections, information and referral help with choosing or declaring a major, transfer information, graduation requirements, and other issues.

3. Are you on scholastic probation?

*If so, you are required to see the counselor/advisor of your school. (Business and Technology; Health and Natural Sciences; Liberal and Fine Arts) for assistance in course selections and information on study skills and tutorial resources. Be aware that you may be limited in the number of hours and type of courses for which you may enroll, due to your GPA.

4. Do you plan to graduate this semester?

*If so, then follow the steps below:

- Plan to meet with a counselor/advisor in your major and/or school to confirm your graduation pending status.
- If necessary, request course waivers and or substitutions of specific degree plan requirements.
- Apply for graduation by the published deadline (See the *College Catalog* for dates).

TRANSFER STUDENT ADVISING PROCESS

1. Submit the following to the admissions office:

- A completed admissions application. (Applications are in the back of the *College Catalog*.)
- Official transcripts from all colleges previously attended.
- Test scores (i.e. TASP) if not listed on a college transcript.

2. Determine TASP and TJC placement test status:

- If you are TASP liable and have not taken the TASP, see a counselor/advisor or the registrar's office regarding your options. Remember, unless a student is TASP Exempt or in a TASP Waived certificate program, he/she must take the TASP by the time nine college credit hours from a Texas state public institution are earned. The placement (Pre-TASP) test may be required of some students regardless of their TASP status.

3. Contact the Transcript Evaluator in the Admissions Office for an evaluation of transfer credits.

4. Meet with a counselor/advisor:

- Check with the deans' offices or the registrar's office for a list of advisors.
- The counselor/advisor helps the student with:
 - Interpretation of test scores
 - Degree Plan and transfer information
 - Information on the registration process
 - Graduation requirements
 - Course selection
 - Information on campus resources
 - Course waivers and substitutions

5. In order to sign up for classes, the following are general registration procedures:

- Pick up a class schedule. This will give information on current registration steps. (Schedules are generally available during mid-semester for the following semester.)
- Obtain a time permit from the registrar's office, if issued. (Refer to class schedule to see if time permits are being issued. Time permits are usually issued several weeks prior to the start of the semester.)
- Meet with a counselor/advisor to prepare a trial schedule. (A list of advisors is available in the registrar's office or any of the deans' offices).
- Early (Telephone) Register or go to the designated area at the assigned registration time.
- Register, pay tuition and fees by the published deadline, and secure parking permit and student ID card.

*Determined when an application is received and is based upon: college credit prior to Fall of 1989; achievement of a Bachelor's degree or higher; or ACT, SAT, or TAAS scores. See the registrar's office or a counselor/advisor for verification of status.

**Includes students who are in a certificate program. See College Catalog for more information.

TASP INFORMATION

Texas Academic Skills Program (TASP)

In 1987, the Texas Legislature passed House Bill 2182. This bill, which became effective with the fall 1989 semester, requires that all Texas public college and university students be tested for reading, writing and mathematics skills. This legislation applies to students enrolling in Tyler Junior College.

What is the TASP Test?

The TASP Test measures the reading, mathematics, and writing skills that a high school graduate should possess upon entry into higher education. It does not measure skills you are expected to acquire in your collegiate level work. Each test section is composed of about 40–50 multiple-choice questions. The writing section also requires that you write an essay of about 300–600 words.

Do I have to take the test?

You must take the TASP Test if you are a full- or part-time student at a public community college or university in Texas or if you are planning to enter any educator preparation program in Texas unless you qualify for a TASP exemption. See the current *TASP® Test Registration Bulletin* for a listing of TASP exemptions.

When do I have to take the TASP Test?

The TASP Test must be taken prior to the end of the semester in which you will be completing your ninth college level hour. In other words, if you are going to take 15 college level hours your first semester, you will be completing your ninth hour by the end of that semester, and the TASP Test must be taken before you can enroll the next semester.

What happens if I do not take the test?

Texas Education Code (TEC) Sec. 51.306 requires that you take the TASP Test before completing your first nine semester credit hours of college coursework. If you do not, you will not be allowed to register for more college-level courses.

Must a student take TASP prior to enrolling?

No, it is not necessary for a student to take TASP prior to enrolling. Taking TASP can be deferred until the semester in which the student will complete nine semester hours of college-level course work.

What happens if I do not pass all three sections of the TASP Test?

The law says that you will have to be in continuous (every semester) remediation until you pass all parts of the TASP Test. This is completed by taking developmental courses.

Do I have to be in remediation in every area that I fail every semester?

No. You have to be in remediation in at least one area failed each semester until you pass all parts of the TASP Test. However, remediation in all areas not passed is strongly recommended.

How do I register to take the test?

To register for the TASP Test, you must fill out a registration form prior to the test administration. The *TASP® Test Registration Bulletin* provides you with all the information necessary to register for the TASP Test and is available through your Testing Center, admissions/registrar's office, or contact: TASP Test, National Evaluation Systems, Inc., P. O. Box 140347, Austin, Texas 78714-0347, 512-927-5397.

All registration is on a first-come, first-served basis. Mail your registration as soon as possible before the deadline. See the back cover of the *TASP® Test Registration Bulletin* for a schedule of test dates and deadlines.

Computer-Administered Testing (CAT). The Computer-Administered TASP Test is offered on an emergency basis at various test centers across the state. Not all dates and times are available at all sites. Registration for the Computer-Administered TASP Test is by telephone only. See the *TASP® Test Registration Bulletin* for details.

Can I register at the college for the test; for example, can I just walk in and take the test on the Saturday it is being administered?

No. The college has nothing to do with the registration for the TASP Test. The college administers the test on the scheduled test day to those students who have registered in advance and paid their testing fee.

Is Tyler Junior College a TASP Testing Center?

Yes. However, you may choose to register at any center listed in the TASP Registration Bulletin.

What if I haven't taken the TASP Test and I want to take my first English or mathematics course at TJC?

TJC offers a free placement test for any student who has not taken the TASP Test, has not accumulated nine college level hours but wants to take his/her first English or

mathematics course at TJC. Contact the Testing Center for testing hours or other testing information. (This does not change the TASP Test requirement.)

If I am transferring from out of state or a private college (i.e., SMU, Rice, Baylor, etc . . .) do I still have to take the TASP Test?

Yes. If you have not completed three college-level hours prior to fall 1989, or you plan to take in excess of nine college-level hours in a Texas Public College TASP required program, you have until the end of the semester in which you complete your ninth hour to take the TASP Test. (Summer only transfer students may ask about exceptions.)

Where can I get additional information about TASP testing requirements, test dates, etc.?

You can get answers to your TASP questions from the TASP Registration Bulletin or by calling the Testing Center at 903-510-2617.

Who Is Exempt from Taking the Test?

You are exempt from taking the TASP Test if any one of the conditions listed below applies to you.

- You receive credit for at least three (3) semester credit hours or the equivalent of college-level work prior to 1989.
- You are blind and received credit for at least three (3) semester credit hours of college-level work prior to fall 1995.
- If you are deaf and you received credit for at least three (3) semester credit hours of college-level work prior to fall 1995, you are exempt from the basic skills testing (i.e., TASP Test) requirement for students entering college. However, if you are deaf but did NOT receive credit for at least three (3) semester credit hours of college-level work prior to fall 1995, you are required to take and pass the Stanford Achievement Test in lieu of the TASP Test. Contact your college advisor for more information. Please contact National Evaluation Systems, Inc., for a copy of the Stanford Achievement Test Registration Bulletin.
- You have met qualifying standards on the American College Test (ACT), Scholastic Assessment Test (SAT), or the exit-level Texas Assessment of Academic Skills (TAAS) test:
 - ACT composite score of 26 or higher with English and math part scores equal to or greater than 22.
 - SAT (for tests from April 1995 and later) combined scores of 1180 or higher with verbal and math part scores equal to or greater than 550.
 - SAT (for tests prior to April 1995) combined scores of 1090 with verbal part score equal to or greater than 470 and math part score equal to or greater than 530.
 - TAAS scale scores (for tests from spring 1994 and later) of TLI X-89 or higher in reading, TLI X-86 or higher in math, and 1780 or higher in writing.
 - TAAS scale scores (for tests prior to spring 1994) of 1790 or higher in all three applicable areas (reading, math and writing).

ACT and SAT scores may be no more than five years old and exit-level TAAS scores may be no more than three years old. The exemption scores must be achieved at a single administration of the ACT or SAT or the first attempt of the TAAS. (Separate scores from different tests or separate scores from different administrations of the same test cannot be combined to qualify for an exemption.)

- You are 55 years of age or older and not seeking a degree or certificate from a Texas public institution that chooses to make this exemption available.
- You are enrolled on a temporary basis in a Texas public institution of higher education.
- You are enrolled in a certificate program of one year or less (42 or fewer semester credit hours or the equivalent).

Check with the TASP officer or advisor at your college, university, or institution to determine whether you are eligible for an exemption.

TASP Update: Beginning September 1, 1995, blind and deaf students will no longer be exempt from the Texas Academic Skills Program (TASP) testing requirement. Texas Education Code (TEC) 51.3061 requires blind students to again take the TASP Test (with appropriate accommodations) and deaf students to take the Stanford Achievement Test. Blind and deaf students who have three or more college level semester credit hours prior to September 1, 1995, will not be required to test.

Accommodations for the Student with a Disability

The College will make reasonable accommodations for qualified students with a diagnosed physical and/or learning disability who apply for admission. If reasonable accommodation in registration procedure or instructional environment is requested, the student must obtain a Request Accommodations Form (RAF) from the support services office and have an interview with a support services counselor. Current medical and/or psychological documentation which verifies their disability will be required with the RAF.

The deadline for applying for assistance with the support services office is normally four weeks prior to the beginning of the initial semester of enrollment, to allow time to provide adequate coordination of services. The deadline for applying for subsequent continuous semesters of enrollment is two weeks prior to the beginning of regular college registration for that semester.

Prospective and current students, parents, and others interested in such services or more information should contact the support services office, Rogers Student Center, 903-510-2395, TDD-903-510-2394.

One CEU is equal to 10 contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction. In no instance should the award of CEU be equated with college credit applicable toward a degree.

Certificates

Certificates of completion are issued at the last class to those meeting attendance and/or grade requirements.

Hazlewood Act

Hazlewood students are exempt from tuition payment in non-credit courses but must pay their own fees. The published cost for non-credit courses includes both the tuition and the fees. The exact breakdown may be obtained at the time of registration or by calling the continuing education office.

In compliance with the Family Educational Rights and Privacy Act of 1976, (P.L. 93-380, section 513), as amended (P.L. 93-568, section 2), information classified as "Directory Information" may be released to the general public without the consent of the student.

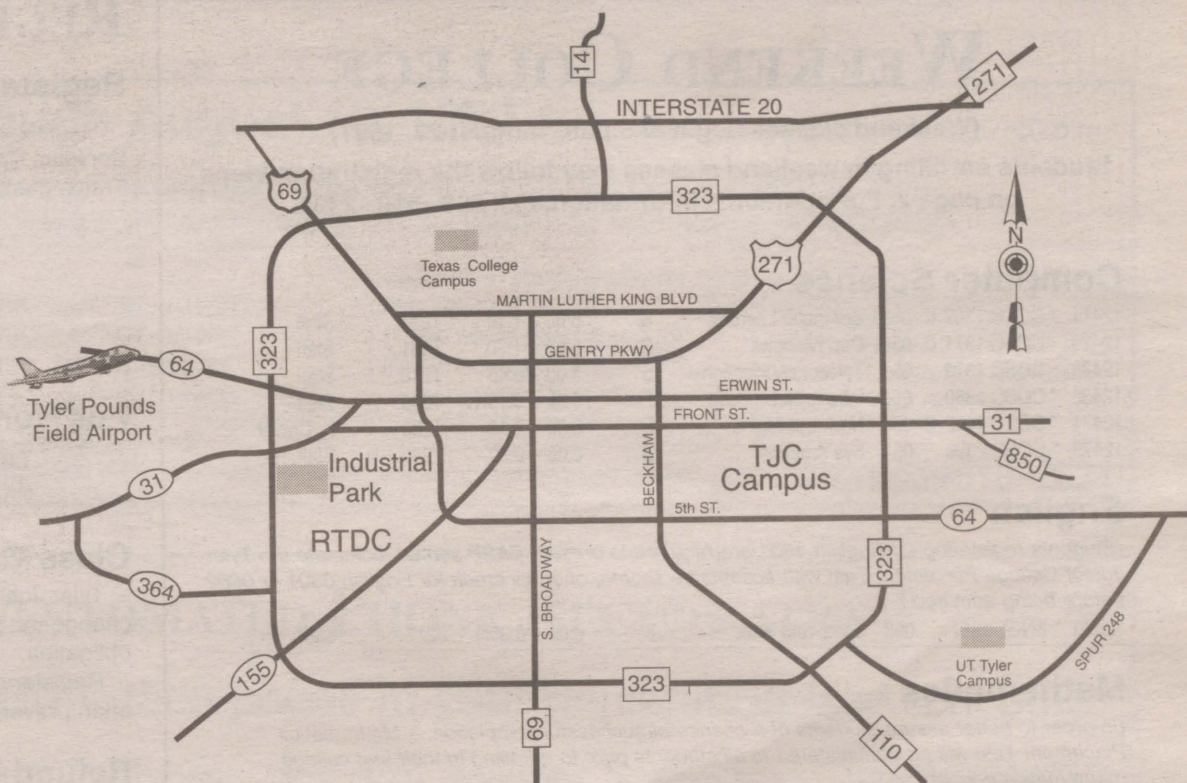

Tyler Junior College hereby designates the following student information as public or Directory Information: Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (include Dean's list), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

A student may request that the above Directory information be withheld from the public by making written request to the registrar's office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for nondisclosure must be completed every fall, spring and summer sessions term enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.
